Called Murray Kampt (404) 639-7200
 - left message

3:40 PM

Frank DeStefano called me in the evening and told me that Bob Chen wanted to fire me. I asked why Bob would be able to fire me? Frank didn't give any clear reason why. He suggested my e-mails provided clear reasons to fire me.

Penna Haber subsequently told me that Frank had asked her to call first and she declined.
